Although a yearbook cannot show all the enjoyable events which occurred at Pleasant this year, it can include pictures from each area of activity ... The yearbook staff wishes to present this book in the hopes that it will bring back many memories of the year 1968 to each one who opens its covers.

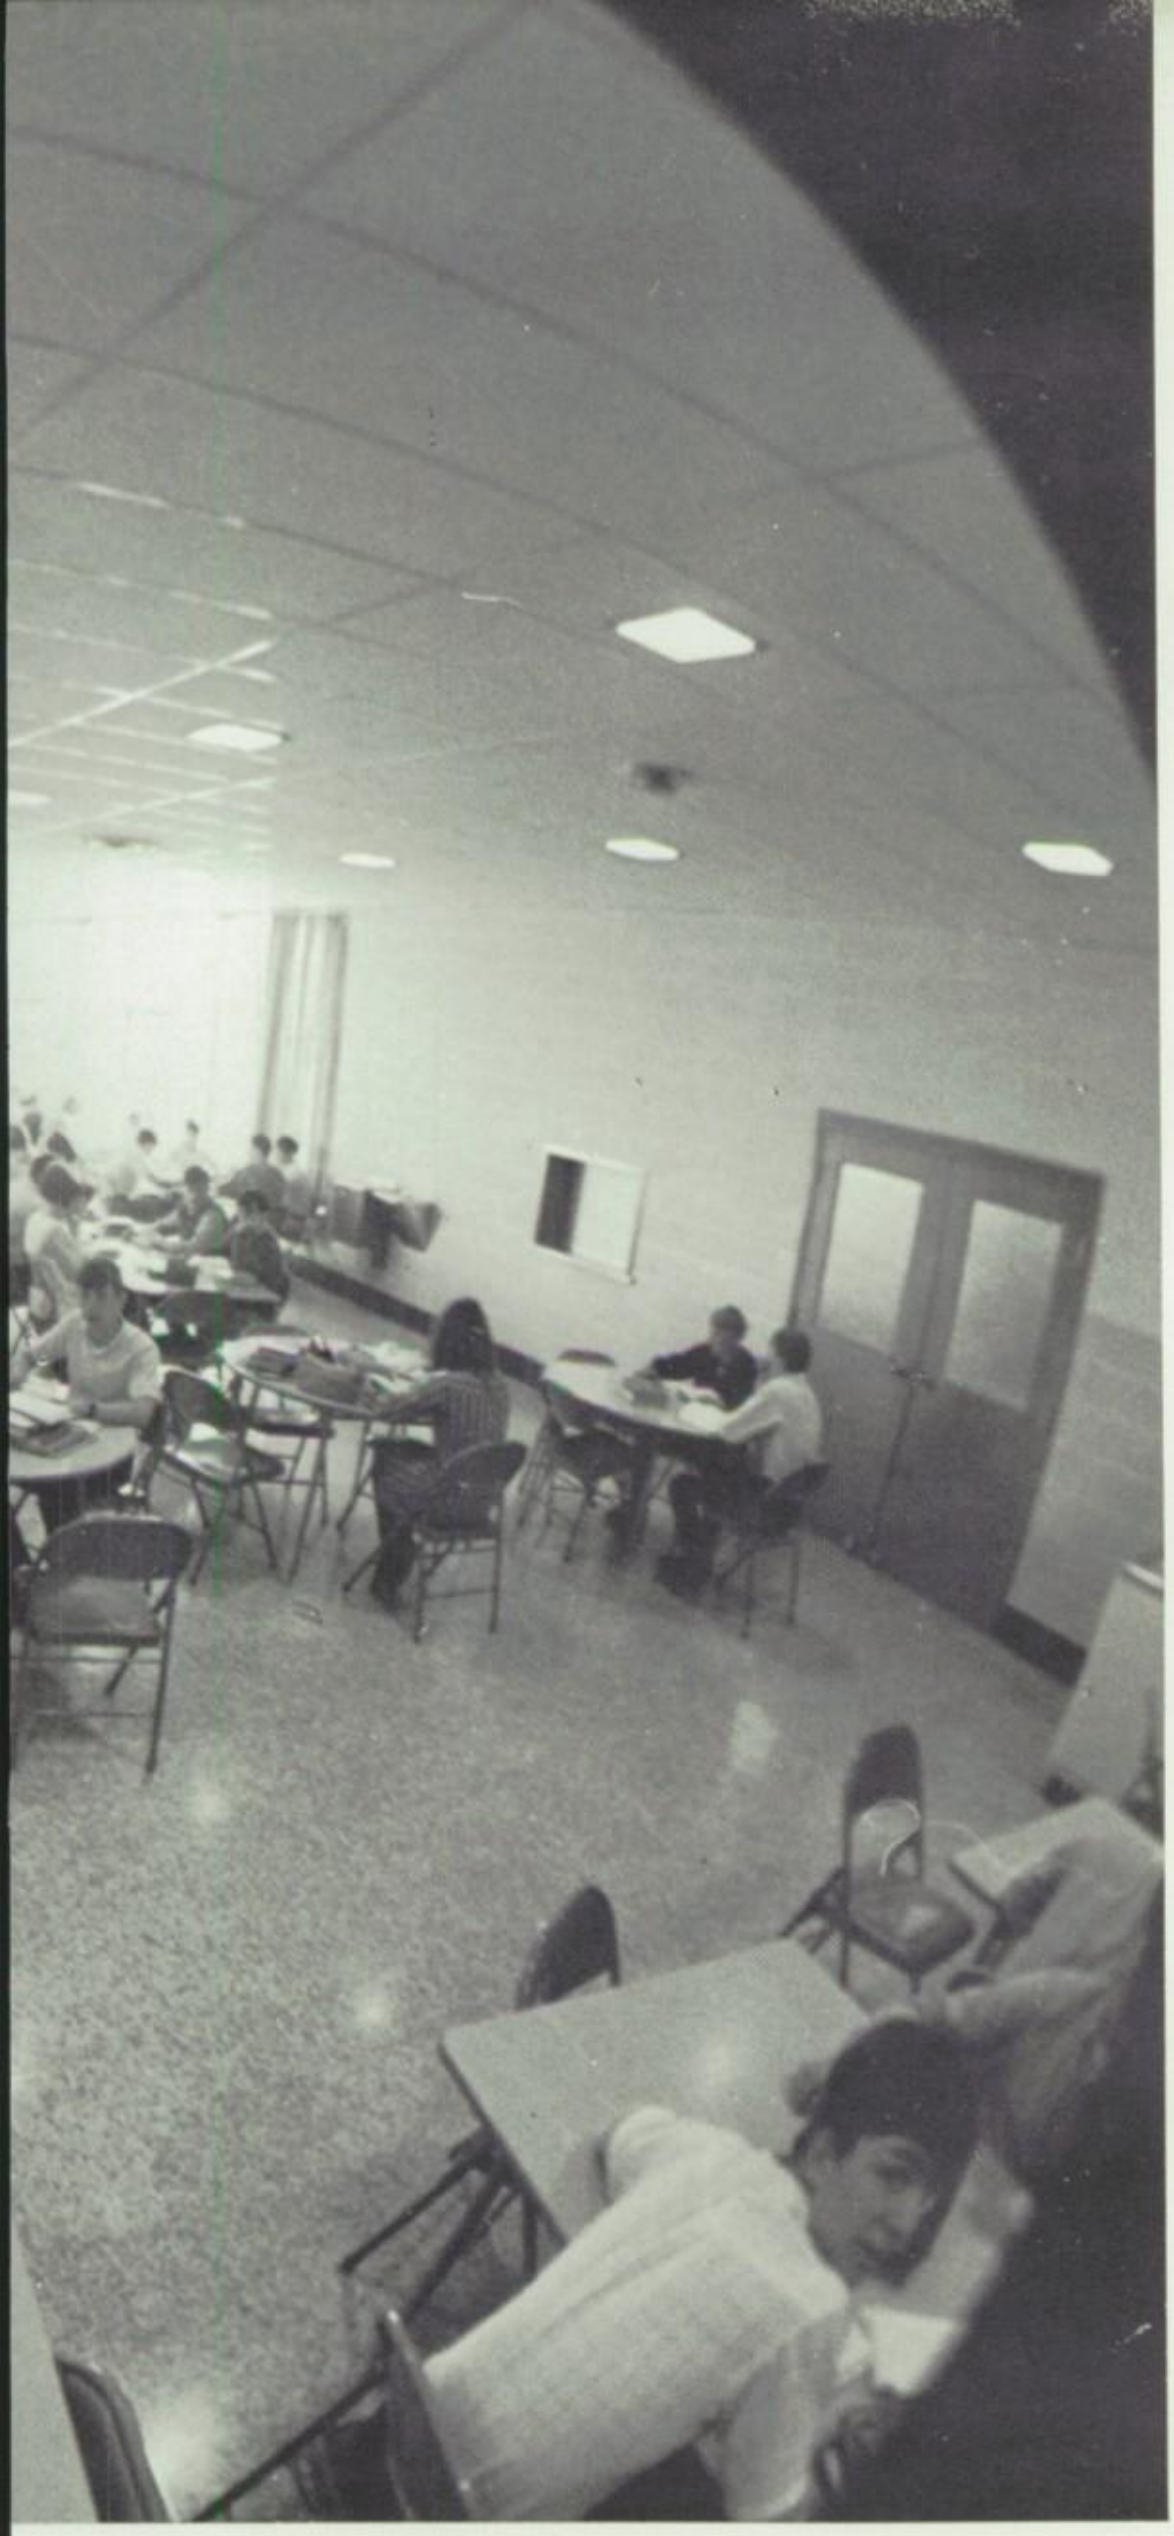
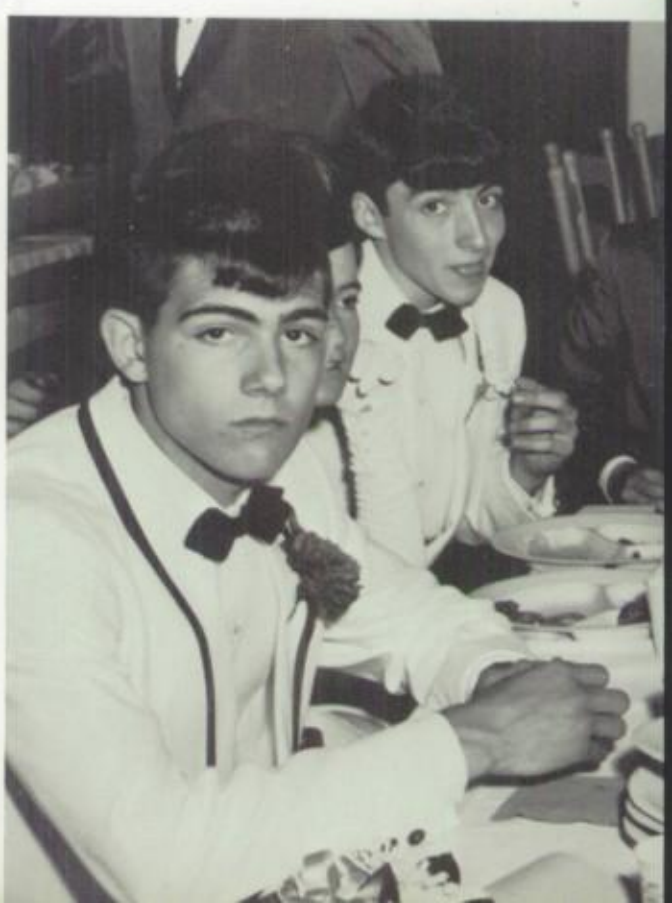
STUDENT LIFE — FOR EVERYONE



The social life at Pleasant was an enjoyable part of the 1967-68 school year. Several dances were scattered throughout the year. The music concert, the Talent Show, and the two class plays provided an opportunity for Pleasant's students to show their talent in different areas. The climax of student life was the prom on May 11. Of course, there are those moments which will be remembered by each student. That incident may have been one which happened in a classroom or at lunch or one which occurred in a small group or crowd. All of these have contributed to a well-rounded social life at Pleasant this year.

SOMETHING

"Flower



Fantasy"
Blooms

An escape to a "Flower Fantasy" provided an enchanting evening for those who attended the 1968 Junior-Senior Prom. The formal dance at the Marion Country Club was followed by the movie, In the Heat of the Night at the Ohio Theater. Bowling at the Southland Lanes began at 4:00 a. m. After the bowling nothing was left but the many memories of a wonderful evening.

Ana Teresa Cuello

This year Pleasant High School was again privileged to have a foreign exchange student from South America. Ana, a 16 year old Argentinian girl, became the second exchange student at our school.

Although unable to speak but a few words of English upon arrival, Ana learned quickly how to live and speak in America. With the help of teachers and students, she became a part of our school. Pleasant High School was proud to have Ana living in our community and going to our school.

STUDENTS TAKE
OF EXTRACURRICULAR

Pleasant offers many opportunties for the students to express themselves through organizations. A large number of students take advantage of these. Our organizations provide the students with the necessary items to aid them in learning the responsibilities of leadership, the personal satisfaction of a job completed, and the enjoyment of meeting with other students. Each club is an expression of a person's interests. At Pleasant there are organizations of many types to offer the students a broad area from which to choose. After the selection it is left to the student to decide how much he will gain from each activity.

SPORTS ARE STILL OUTSIDE ACTIVITY

MOST POPULAR

This year many people were thrilled as they watched the Pleasant Spartans in action. The thrills and excitement were unequaled in any other outside activity. The excitement was not the only emotion expressed at a sports event. For the participant the goal which he made was satisfaction. It was the satisfaction that his many hours of practice had paid off. The high school students were proud to see their fellow students succeeding to beat a rival. The other fans received the pleasure which they had sought when they came. Sports at Pleasant will continue to hold a cherished place in many hearts.

PHS BOASTS VERSATILE

PEOPLE

Versatility is an important feature of the faculty and students at Pleasant. There is a variety of interests and temperaments. This variety has helped to produce an atmosphere at our school which will be an important aid to the students in their choice of a vocation. We are fortunate that the versatility of the people and the variety of their interests and personalities do not cause dissension among us. This ability to cooperate is a great asset to our school.
